THE BAKING PREPARATIONS

—OF—

PROF. HORSFORD,

—NAMESLY,—

Horsford's Bread Preparation,
Put up in Paper Packages.

Rumford Yeast Powder,
Put up in Glass Bottles.

Prof. Horsford's Phosphatic Baking Powder,
Put up in Glass Bottles.

Are made of Horsford's Acid Phosphate in powdered form, and are **HEALTHFUL AND NUTRITIOUS**, because they restore to the flour the nourishing phosphates that are lost with the bran in the process of bolting.

These Baking Preparations have received the indorsement of, and are **Universally Used and Recommended by Prominent Physicians and Chemists** of this and other countries.

THEY INCREASE THE NUTRITIVE QUALITIES OF FLOUR.

BARON LIEBIG, the world-renowned German Chemist, said: "I have, through a great series of experiments, satisfied myself of the purity and excellence of your Baking Preparations. The bread has no acid, is easily digested, and of the best taste. Aside from the conveniences this invaluable idea of yours has provided, I consider this invention as one of the most useful gifts which science has made to mankind! It is certain that the nutritive value of flour is increased ten per cent. by your Phosphatic Baking Preparations, and the result is precisely the same as if the fertility of our wheat fields had been increased by that amount. What a wonderful result is this."

MAINTAIN HEALTH.

DR. SAMUEL JACKSON, late Professor in the University of Pennsylvania, said: "Your preparations while they make a light, sweet, nutritious and palatable bread, restore the phosphates which had been separated from the flour, and thus are adapted as an ailment for the maintenance of a healthy state of the organization."

RUMFORD † CHEMICAL † WORKS,

PROVIDENCE, R. I.

INTRODUCTION.

This book contains elegant patterns in wide and narrow Laces, Todies, Quilts, etc. They have all been tested by an experienced knitter. The materials used are—Nos. 100, 90, 80, 70, 50, 40, Marshall's Linen Thread or Common Spool Cotton, also Knitting Silk which comes in half ounce balls, all shades.

Fine Saxony Yarn, done with coarse sock needles, makes a very pretty edging.

From the earliest age women employed themselves with needle-work in every variety, and we still see specimens of old-time embroidery and lace work, which are marvels not only of skill but of patience, and there is no occupation so feminine, at the same time so ladylike, as needlework in every branch, from the plain sewing to the exquisite dainty fancy work that adds beauty to every room.

Knitting has so many advantages that it is hard to enumerate them. No machine work has yet reached the perfection of hand-knit articles. Fashion's caprices, while constantly suggesting new stitches, leave the old ones always in use.

The following directions will aid in knitting the various patterns contained in this book.

TERMS USED IN KNITTING.

To cast on—Make a loop in your thread, and place it on the needle in your left hand; when, with your right hand needle, knit this stitch; repeat this until the desired number of stitches have been made.

To increase—If one stitch only is to be increased, bring the thread between the needles and knit the following stitch; this will make an open stitch or hole in the following row. If a close increase is to be made, pick up the loop below the next stitch to be knitted, and knit it. To increase one stitch when the row is being seamed the thread will be in front of the needle; pass it quite around the needle to the front again.

To decrease—If one stitch only is to be decreased, knit two stitches together as one; if two stitches are to be decreased, slip one, knit two together, pass the slipped stitch over the two knit together.

To fasten on—Twist the two ends of thread together, and knit a few stitches with both.

To pick up a stitch—With the left hand needle pick up the loop below the next stitch to be knitted, knit it, and pass it to the other needle.

To slip a stitch—Is merely to pass a stitch from the left-hand needle to the right-hand needle, without knitting it.

To seam a stitch—Insert the needle in the stitch to be seamed, with the point towards you. Pass the thread quite around the needle; take the needle with thread on it out at the back.

To narrow—Means knit two stitches together.

t over 1—Means wind thread around needle once, thus making an extra stitch.

t over 2—Means wind thread around needle twice, thus making two extra stitches.

t over 3—Means wind thread around needle three times, making three extra stitches.

t over 4—Means wind thread around needle four times, making four extra stitches.

3 together—Means knit three stitches together as one stitch.

Part I—Wide Laces.

“Attempt the end, and never stand in doubt;
Nothing’s so hard but search will find it out.”
—Herrick.

Is made by taking some wide insertion pattern, and knitting 3 strips from shoe-thread or fine twine, placing ribbon of any color between the strips, and edging the tidy top and bottom with some narrow edge.

Part VI—Rules for Stockings, Mittens, Etc.

Gentlemen's Socks.

The best sized needle is No. 16, steel.

Cast 28 stitches on the first needle, and 24 on each of the other two.

1st Row—Seam 2, 2 plain, repeat all round. Knit 30 rounds of this, same. 31st—Seam 1, knit the remainder plain right round needles. Knit 85 rows like this.

For the heel take 18 stitches on each side the seam, and knit alternately plain and seamed—plain when the right side is towards you, and the seamed when the wrong side. Now knit 30 of these rows, then take 4 stitches each side the seam-stitch and place the stitches on each side of these onto separate needles, the centre stitch to be knit plain and seamed alternately; and at the end of each row knit 2 stitches together from the sides till there are 17 stitches on the centre needle; * and with the last stitch of each row take 1 stitch from the sides and knit it together with the last as one; when all are knitted off, take up 18 stitches down each side of the heel, knit a plain row; next row narrow by knitting 2 stitches together on each side of the foot; repeat from * 5 rows more, * knit 2 plain rows in the next, narrow 1 stitch on each side of the foot, repeat from last * 3 rows more, knit 64 plain rows. divide the stitches for the toe, narrow on each side of 4 stitches on each side of the foot in every alternate row until only 20 stitches remain, place them on 2 needles, half on each, fold them together, bind off.

Ladies' Knitted Silk Stockings.

Materials required, 3 1-2 ounces of coarse knitting silk, 4 steel needles No. 18.

Cast 49 stitches on each of 3 needles. Knit plain 21 rounds.

22d Round—t over 1, knit 3 together, alternately all round.

23d—1 plain, seam 1, 1 plain, alternately all round.

In the next round seam the centre stitch of the last needle; this forms the seam and is seamed in every round. (A piece of yarn or cotton tied where the seam-stitch comes will aid the knitter.) Knit 11 inches, or 230 rounds plain, then commence to narrow for the ankle. This is done by knitting 2 stitches together before, and 2 after, the seam in every 7th round, for 17 rounds; this brings the number of stitches to 113.

Knit 3 inches plain for ankle without increase or decrease.

Divide the stitches for the heel, placing 28 on each side the seam, and

leaving 56 on the two front needles. On the heel stitches knit 48 rows, 1 row plain, when the right side is towards you, and 1 row seamed when from you.

Knit the gusset for the heel as follows: 29 stitches plain, narrow, turn, seam 3, seam 2 together, turn, 5 plain, narrow, turn; repeat until all the side stitches are taken in. Now with another needle pick up the stitches on each side of the heel. Knit all around once to the right-hand side of the heel. To decrease to form the gusset of the foot, knit 1st stitch plain, slip the 2d, 3d stitch plain, pass the slipped stitch over knitted one, knit to within 3 stitches of the end of the next needle, then slip 1, 1 plain, pass slipped stitch over, knit last one plain. Knit a plain row between every decrease.

Continue to decrease in this way until there are only 113 stitches remaining. Knit plain 88 rounds for the foot, or about 4 1-4 inches. Then decrease for toe as follows: Arrange the stitches so that the number of stitches on the front needle is equal to those of the two under needles, together; knit 1st stitch plain, slip the 2d, 3d plain, pass slipped stitch over, knit plain across to within 3 stitches of the end of the needle, slip the next stitch, 1 plain, pass the slipped stitch over, knit last one plain; decrease the same at the beginning of the 2d and at the end of the 3d needle. Continue thus with a plain round between until only 20 stitches remain. Now bind off. The top of the stocking is turned down an inch and neatly hemmed on wrong side. The instep may be embroidered, if wished, with silks of contrasting shades.

Gents' Ribbed Silk Hose.

Materials required, 2 1-2 ounces coarse knitting silk in any shade; 1-2 ounce different shade for heels and toes; 4 No. 19 steel needles.

Cast 114 stitches on 3 needles. Knit around once plain, then knit ribs by knitting 2 plain, 1 seam, all round for about 60 rounds, which will measure about 3 inches; then knit ribs, 5 stitches plain, 1 seam all round, till you have 6 1-2 inches wide ribs.

Commence heel by putting in your 1-2 ounce shade, on one needle 59 stitches, preserving the ribs 5 plain, seam 1, across the needle, returning seam 5, 1 plain; always slip the 1st stitch. Knit 60 rows like this. Now decrease as follows: 61st row—(5 plain, seam 1,) 3 times, 4 plain, slip 1, 1 plain, pull slipped stitch over, 11 plain, slip 1, 1 plain, pull slipped stitch over, 4 plain, (seam 1, 5 plain,) 3 times. Return, knitting seamed stitches plain and plain stitches seamed; do this in every backward row, forward rows plain.

63d—(5 plain, seam 1,) 3 times, 3 plain, slip 1, 1 plain, pull slipped

stitch over, 11 plain, slip 1, 1 plain, pull slipped stitch over, 3 plain, (seam 1, 5 plain,) 3 times.

65th—(5 plain, seam 1,) 3 times, 2 plain, slip 1, 1 plain, pull slipped stitch over, 11 plain, slip 1, 1 plain, pull slipped stitch over, 2 plain, (seam 1, 5 plain,) 3 times.

67th—(5 plain, seam 1,) 3 times, 1 plain, slip 1, 1 plain, pull slipped stitch over, 11 plain, slip 1, 1 plain, pull slipped stitch over, 1 plain, (seam 1, 5 plain,) 3 times.

69th—(5 plain, seam 1,) 3 times, slip 1, 1 plain, pull slipped stitch over, 11 plain, slip 1, 1 plain, pull slipped stitch over, (seam 1, 5 plain,) 3 times.

70th—After seaming the 11 middle stitches, turn, knit back, knitting the last stitch of the 11, with the one next it together; proceed in rows, knitting plain and seaming, but at the end of each row knit together the last stitch of the tongue, or middle part, with the first of the adjoining side stitches, till the side stitches have been used up. This forms the French heel. Now with the shade of silk you started with, pick up and knit towards the left, 1 stitch in each loop on the side of heel, except in every 6th loop, where 2 stitches should be worked—plain and twist stitch.

The stitches being all picked up, knit 1 round, placing the whole of the instep stitches on one needle (seaming and knitting plain these to preserve 7 ribs), save 2 stitches each end, which are transferred to the two side needles, on which the other stitches are equally placed, the division being at the middle of the bottom of the foot. From this point the knitting advances regularly round and round. The narrowing for the gusset is always made on the instep end of each of the side needles.

1st Round—Beginning at the centre of the heel with the first side needle, knit plain till within 4 stitches of the end, then narrow, 2 plain. Knit across the instep needle, seaming the 8 stitches which make the 7 ribs, viz. —1 before, 1 between, 1 after, each row of 5. This brings you to the second side needle: 2 plain, slip 1, 1 plain, pull slipped stitch over, rest plain. 2d round—Without decreasing. Repeat these two rounds till there are 114 stitches on the needles. The gussets are then finished.

Put back on the instep needle each end, 2 stitches from the side needles. Continue knitting till the required length of foot is obtained, the instep stitches being ribbed till the narrowing of the toe begins, which is knit plain. Change color of silk for toe like that of heel. Commence middle of instep needle. Knit all but 3 stitches, slip 1, 1 plain, pull slipped stitch over, 1 plain; on next needle, 1 plain, narrow, knit plain until 3 are left; slip 1, 1 plain, pull slipped stitch over, 1 plain; at first corner of instep needle, 1 plain narrow, knit to middle of needle. This completes the first round of decreasing for toe. Knit plain 3 rounds, then, decrease in next round as before. Knit plain 3 rounds, then decrease as before, and so on to end.

Railroad Stockings.

4 balls coarse knitting silk.

Cast 96 stitches on 3 medium-sized needles, 30 on each of two needles, 36 on third.

Knit round and round without increase or decrease till you have a long slim pipe 18 inches long. It will be hardly large enough for a wristlet, and a laughable looking thing when styled a stocking, but now knit round one row, and drop every 4th stitch (knit 3 plain and drop the 4th). This makes the pipe 24 stitches smaller. Now knit round about 20 times, and then toe off. No heel is necessary. Put your finger in the stocking against the under part of a dropped stitch, and ravel it out to the top. Make every dropped stitch so run; you will instantly have a striped openwork stocking elastic enough for the largest leg. The dropped stitch makes a little ladder, as pretty as any openwork design. It is a poor foot, indeed, that won't find the Railroad Stocking as nice as the best "regular make."

Knitted Stockings for Girls from 5 to 7 Years.

Cast on 50 stitches on each of 3 needles.

1st to 10th Round—All knit plain.

11th—Alternately t over 1, narrow, all round. 12th—All knit plain.

13th to 20th—First like 11th row, then like 12th row, all round.

21st—Fold down the first 12 rounds on the wrong side for hem, sew down nicely.

22d—*1 plain, t over 1, slip 1, 1 plain, pull slipped stitch over, 3 plain, narrow, t over 1, and repeat from *.

23d—2 plain,* t over 1, slip 1, 1 plain, pull slipped stitch over, 1 plain, narrow, t over 1, 3 plain, and repeat from *, but finally instead of 3 plain, knit only 1 plain.

24th—3 plain,* t over 1, slip 1, narrow, pull slipped stitch over, t over 1, 5 plain, and repeat from *, but finally instead of 5 plain, knit 2 plain.

25th—All knit plain.

Repeat 72 times the 22d and 25th rounds, always transposing the design. For the curve at the knee work 38 inserted rounds between the 18th and 19th pattern figures on the middle 42 stitches, which are taken up on a separate needle. Of course the rounds worked on the wrong side should always be seamed to correspond with the design, and at the end of each round the next of the stitches left standing in the course of the inserted rounds should always be knit up, so that finally only 42 stitches remain standing. Then continue to work, always going forward, and in the 1st round of the 20th pattern figure fasten together the middle 14 of the 42

stitches previously left standing with 1 stitch, and, after an interval of 14 rounds before and after these 14 stitches, again fasten together 14 stitches in the same manner. In the 1st round of the 33d pattern figure, above these three narrowings, widen 28 stitches, making 54 stitches on 28 stitches there. At the beginning of the 1st round of the 57th and 59th pattern figures, in a straight direction above the widening, narrow 14 stitches, fastening them together with 1 stitch. After finishing the 72d pattern figure, take up the first and last stitches on a separate needle for the heel, knit the latter, 44 rounds high, and finish in the usual manner. Next take up the edge-stitches on needles, and knit the stitches for the sole all plain, and the stitches of the front, which were previously left standing, in the openwork design 68 rounds high, in doing which, narrow on both sides of the heel. The toe is worked in 60 rounds, all knit plain in the usual manner.

Through the hem at the top run blue silk ribbon gathered on elastic braid, and tied in a bow on the outside in adjusting the stocking.

Knitted Silk Stockings for Child of 2 Years.

2 ounces of silk, 4 No. 18 needles.

Cast 72 stitches on 1 needle, and knit off on 3 needles, 24 on each needle. Join and knit a plain round. 2d and 3d Rounds—Seam.

4th—*1 plain, t over 1, 2 plain, slip 1. narrow, draw the slipped stitch over the knitted stitch. 2 plain, t over 1, repeat from *.

5th—All plain. Repeat 4th and 5th rounds 4 times more. 14th and 15th—All seamed. 16th—Like the 4th. 17th—All plain. Repeat these 2 rounds 4 more times. 26th and 27th—All seamed. 28th—Knit plain.

29th—Narrow,* put the thread forward, then round the needle, making 2 stitches, narrow, repeat from *.

30th—Knit plain (knit 1 stitch only on the “over” or made stitches of the last round). 31st—Knit plain. 32d and 33d—Seamed.

This round ends the heading or ornamental top of the stocking. You now increase a stitch by knitting 1 between the two needles; this stitch is to form the seam-stitch to the leg.

The Leg—Knit 2 rounds plain. 3d—Seam 1, * 2 plain, seam 6, repeat from *. 4th—Same as 3d round. 5th and 6th—Plain. 7th—Knit 1 plain,* seam 6, 2 plain,* repeat from *. 8th—Like the 7th.

Now repeat from the 1st round of the leg. Knit 44 rounds in this manner, then decrease 1 stitch on each side of the seam-stitch, knit 4 rounds with no decreasings, make 4 rounds of decreasings, and 4 rounds between each without any decreasings, then knit 14 rounds according to the pattern.

Divide for the heel. Take 32 stitches, 16 on the first and last needle, for the heel. Knit 26 rows of plain and seam knitting alternately on these 32

stitches, then form the heel as follows: Take the 7 centre stitches, * knit them, and as you knit the last, knit it and the 8th stitch together, turn, seam these 6 and the 7th and the next stitch on the needle together, turn, repeat from * until you have only the 7 stitches left on the needle. At the end of the last 7 stitches raise 15 stitches on the side of the heel (the 26 rows), then knit the stitches left in the front (knit according to pattern) raise 15 stitches on the next side of the heel. Knit 4 rounds (the pattern in front, plain underneath).

5th—Knit the 2 first stitches and 2 last stitches of the plain under part together, the rest as before. The next 4 rounds like the first 4.

10th—Like the 5th round. Knit 24 rounds more (plain underneath, the pattern in front), then knit 5 rounds plain all round.

You now commence the decreasing for the toe. Knit the first needle all but the last 3 stitches. This is the second needle on the under part of the foot. Narrow, 1 plain, 1 plain on the second needle, narrow, knit to the last 3 on this needle, knit the 2 first of them together, 1 plain, 1 plain on the third needle, narrow, finish the needle, knit 2 rounds plain, repeat the round of decreasing. Knit in this manner until you have only 12 stitches each on the front and back needles. Bind off, and sew up the toe.

Decrease 6 times, with 7 plain rows between. There are now 73 stitches on ankle. Knit plain 30 rounds. For heel take off 37 stitches (18 on each side of seam), knit 36 rounds, then decrease in next 10 rows 5 times, lay sides of heels together and knit. Pick up 19 stitches each side of heel, knit 1 round plain; decrease 2 by narrowing at right-hand corner, slip 1, 1 plain, pull slipped stitch over (at left-hand corner next to instep), decrease again in the alternate round. There are now 70 stitches. Knit 50 rounds; decrease in 10 rounds 40 stitches, knitting 1 plain round between each. Bind off with 15 stitches on each of the two needles.

Fancy Mitten.

Soft Saxony yarn of any color preferred. Four steel needles No. 17.

Cast on 66 stitches, rib in threes for 6 rounds, take the 2 last stitches together, as 65 only are required for the pattern, which divide as follows: 13 on the first needles and 26 on each of the other two.

1st Round of Pattern—Draw 2d stitch over the 1st and knit it plain,

seam 1, 1 plain, (yarn forward 1 plain) 8 times, seam 1. There will now be 21 stitches on the needle. Each 13 stitches on the 2d and 3d needles to be worked the same as 1st needle in every round.

2d—1st needle : 2 plain, seam 1, 17 plain, seam 1, all round.

Throughout the 9th pattern these two increased stitches are to be knitted. The 2d and 3d needles knit as usual, no increase.

10th—1st needle : Knit 2d, knit 1st, seam 1, 1 plain, increase 1 and seam it, 1 plain,* wool forward, 1 plain* 8 times, increase 1 and seam it, 1 plain, seam 1.

Throughout the 10th pattern these two increased stitches are to be seamed and the others knitted.

11th—1st needle : Knit 2d, knit 1st, seam 1, increase 1, 1 plain, seam 1, 1 plain,* wool forward, 1 plain* 8 times, seam 1, increase 1, 1 plain, seam 1. Throughout the 11th pattern these two increased stitches to be knitted.

12th—On the 1st needle there will now be, with the increased stitches, 19 in all. Knit 2d, knit 1st, seam 1, take a needle and cotton and slip off the next 15 stitches, turn the work right side from you and cast on 17 (next to the 3 stitches.) turn back and seam the one stitch left on the needle.

Knit 2d and 3d needles as usual.

12th—2d round, 1st needle : 2 plain, seam 1, 17 plain, seam 1, continue pattern ; when 4 more are worked, increase a stitch to make 66, rib in three for 5 rounds, and cast off rather loosely.

24th—Seam 3, 3 plain, repeat; continue this for 6 rows.

30th—This makes the holes to run the cord through. Seam 3, t over 3, narrow, 1 plain, seam 2, t over 3, seam 2 together, repeat all round. Knit or seam as before.

31st—Seam 3, 3 plain, repeat, and continue thus for 6 rows. (The thread thrown over is knit as one stitch.)

Hand of Mitten—37th—Begins the widening for thumb, and the shells for the back of mitten. Seam 3, 1 plain, t over 1, 1 plain, t over 1, 1 plain,*

seam 3, (t over 1, 1 plain,) 6 times, repeat from * twice, seam 3. This ends the 2d needle. The 3d needle, containing 18 stitches, is knit plain the rest of the time, and forms the palm of the mitten.

38th—Seam 3, 1 plain, seam 1 (which is the 1 widened for thumb), 1 plain, seam 1, 1 plain,* seam 3, 12 plain, repeat from * twice, seam 3. Other needle plain.

40th—Seam 3, 1 plain, seam 1, 1 plain, seam 1, 1 plain,* seam 3, slip 1, 1 plain, pull slipped stitch over, 4 plain, slip 1, 1 plain, pull slipped stitch over, repeat from * twice, seam 3. Other needle plain.

41st—Seam 3, 1 plain, seam 1, 1 plain, seam 1, 1 plain,* seam 3, slip 1, 1 plain, pull slipped stitch over, 4 plain, slip 1, 1 plain, pull slipped stitch over, repeat from * twice, seam 3. Other needle plain.

42d—Seam 3, 1 plain, t over 1, 3 plain, t over 1, 1 plain,* seam 3, t over 1, and 1 plain 6 times, repeat from * twice, seam 3.

43d—Seam 3, 1 plain, seam 1, 3 plain, seam 1, 1 plain,* seam 3, 12 plain, repeat from * twice, seam 3.

44th—Seam 3, 1 plain, seam 1, 3 plain, seam 1, 1 plain,* seam 3, slip 1, 1 plain, pull slipped stitch over, 8 plain, slip 1, 1 plain, pull slipped stitch over, repeat from * twice, seam 3.

45th—Seam 3, 1 plain, seam 1, 3 plain, seam 1, 1 plain,* seam 3, slip 1, 1 plain, pull slipped stitch over, 6 plain, slip 1, 1 plain, pull slipped stitch over, repeat from * twice, seam 3.

46th—Seam 3, 1 plain, seam 1, 3 plain, seam 1, 1 plain,* seam 3, slip 1, 1 plain, pull slipped stitch over, 4 plain, slip 1, 1 plain, pull slipped stitch over, repeat from * twice, seam 3.

47th—Seam 3, 1 plain, t over 1, 5 plain, t over 1, 1 plain,* seam 3, t over 1, 1 plain, 6 times; repeat from * twice, seam 3. This makes two rows of shells on the back, and it will be easy to go on. The widened stitch for the thumb is always seamed, and you widen only on the rows where you widen for the shells. Knit till you have finished 14 rows of shells on the back and are ready to begin another. Then take off the thumb stitches, the 27 stitches you have made, and the seamed and knit stitches each side, 31 in all. This will be the rule for that row. 3 plain (those 3 seamed stitches before the thumb are knit the rest of the time), take off the 31 thumb stitches, make 12 stitches by knitting them on (holding the wrong side of the work toward you),* seam 3, t over 1, 1 plain, 6 times; repeat from * twice, seam 3. Other needle plain.

Make 14 rows of shells after taking off the thumb, then begin to nar-

row, knitting plain the rest of the time, 7 stitches plain, narrow, repeat all round; 7 rows plain.

6 stitches plain, narrow, repeat all round. 6 rows plain.

5 stitches plain, narrow, repeat all round. 5 rows plain.

Continue thus till all are seamed off.

Thumb—The thumb is knit plain.

Take up the 31 stitches, 15 on one needle, 16 on the other. With the third needle take up stitches across the widened part of the hand, one for each loop, and one each side, 14 in all. Knit round plain once, then begin to narrow on the third needle, slipping and binding each side of the needle once; then a plain row, then narrow as before, plain row, etc. After knitting a few rows slip off some stitches from the other needles to the third, and continue narrowing till there are only 32 stitches left—11 on two needles, 10 on one. That makes the gore for the thumb. Now knit plain till the thumb is long enough to come a little above the bottom of the thumb nail when trying it on. Then narrow once in the centre of each needle, knit round plain once, then narrow all off, by narrowing once in the middle of each needle till none remain. This will make the left-hand mitten. In starting the hand part of the other, make the first needle the plain one that forms the palm, and follow round backward.

Ladies' Fancy Silk Mittens.

Materials required, 1 ounce coarse knitting silk, and 5 No. 19 knitting needles.

Cast on 82 stitches, knit one round plain. Cast on 28 stitches on one needle, and 27 on each of other two.

2d Round—1 plain, t over 1, 1 plain, seam 2; repeat until 10 stitches remain on 3d needle, then 8 plain, seam 2.

3d—Slip 1, 1 plain, pull slipped*stitch over, 9 plain, narrow, seam 2; repeat until 10 stitches remain on 3d needle, then 8 plain, seam 2.

4th—Slip 1, 1 plain, pull slipped stitch over, 7 plain, narrow, seam 2; repeat until 10 stitches remain on 3d needle, then 8 plain, seam 2.

5th—Slip 1, 1 plain, pull slipped stitch over, 5 plain, narrow, seam 2; repeat until 10 stitches remain on 3d needle, then 8 plain, seam 2.

As 4 rounds are required to complete each shell pattern, the 6th, 7th, 8th and 9th rounds are a repetition of the 2d, 3d, 4th and 5th rounds in the order named. This shell is repeated in the mitten shown in above figure 17 times, but if a larger wrist is desired more shells can be added at pleasure. The twist pattern shown in the centre of the back is continued, as follows:

10th and 11th—Same as 2d and 3d rounds.

In the 12th round the last 10 stitches are disposed of in the following manner: Slip off the first 4 stitches onto an extra needle, knit the next 4 plain, then put back the 4 stitches onto the left-hand needle, and with the right knit them plain, and seam the 2 stitches remaining. This operation must be repeated in every 12th round to narrowing. One shell stripe each side of twist continued to narrowing.

In commencing the thumb the stitches for this purpose must be so chosen as to bring the fancy work on back of mitten as near as possible to the centre of the same. In the right-hand mitten the thumb is on the left-hand side of fancy work, and in the left-hand mitten the reverse. When you have 27 stitches in thumb, knit 3 rounds plain (except fancy back), and at the end of the third plain round cast on 4 extra stitches. Now slip the 27 thumb stitches on a piece of twine, tie securely, and with remaining stitches continue the hand narrowing in each round once at the point where extra stitches were made until 74 stitches remain. Continue knitting plain (except fancy stripe on the back) until the mitten is the length of the middle finger.

Now commence to narrow. 7 plain, narrow, all round. 7 plain rows. 6 plain, narrow, all round. 6 plain rows. 5 plain, narrow, all round. 5 plain rows. 4 plain, narrow, all round. 4 plain rows.

Now narrow once on each needle in every round until only 4 stitches are left on a needle, then narrow twice on each needle and bind off. When decreasing, once on each middle needle only; do not narrow at same point in every round, but at different place in each successive round.

To finish the thumb place the 27 stitches on three needles and pick up 4 stitches from the base of gore formed between the hand and thumb by casting on 4 extra stitches, knit once round plain, and narrow once in each of the next 4 rounds at the point where the gore is, then knit 50 rounds plain and finish by narrowing once on each needle in every round, until all the stitches are disposed of.

Gentlemen's Silk Mittens.

4 No. 18 needles. 1 1-2 ounces of knitting silk.

Cast on 78 stitches.

2 plain and seam 2 round the needles till there is about an inch and a half of webbing or seaming. Then knit plain once round, knit to the middle of a needle, seam 1, t over 1, 1 plain, t over 1, seam 1. Knit plain (always seaming the seam-stitch), and every 6th or 7th row make a stitch inside the seam-stitch as directed, until there are as many stitches between the seam as there are on the other needle, that is, 26. Slip these stitches off onto a thread; tie the end.

Cast on 8 stitches between the seams and knit round plain till the mitten reaches the nails of the second finger, then narrow at the beginning of each needle. Knit 4 rows without narrowing. Narrow, and knit 3 plain rows; narrow, and knit 2 rows plain; narrow, and knit 1 row; then narrow every time till all the stitches but 2 are knit. Draw the end of the silk through these stitches and fasten securely. A fine darning needle is the best thing to do it with.

For the thumb take the stitches off the thread and take up the 8 made between the seams. Knit once round plain; then narrow the made stitch every time round till they are all taken up; then knit round and round till the thumb is long enough. Narrow it off by narrowing at beginning of each needle till finished.

Ladies' Fancy Mittens.

1 ounce of knitting silk and 4 No. 18 or 19 knitting needles.

Cast on 132 stitches on these needles, placing 48 on each of two needles and 36 on third.

1st Round—Knit round plain.

2d—1 plain,* t over 1, 1 plain, t over 1, 1 plain,* repeat from * 8 times, seam 3 stitches. Commence next shell by 1 plain,* t over 1, 1 plain,* repeating from * to * 8 times, seam 3. Continue making shells and seaming 3, till once round, when there will be 11 shells started.

3d, 4th, 5th and 6th—Slip 1, 1 plain, pull slipped stitch over, and narrow last 2 stitches of each shell, knitting stitches between plain, always seaming the 3 stitches separating the shells. There are now 9 stitches in every shell.

7th—Like the 2d. 8th, 9th, 10th and 11th—Like 3d, 4th, 5th and 6th.

Repeat these 5 rounds till you have 3 rows of shells with 8 holes in each; by narrowing the next round you have 6 holes in a shell. Repeat the 5 rounds; the next time by narrowing you have 4 holes in a shell. In like manner narrow the shells to 3 stitches in each, which leaves you 3 seams alternating with 3 plain to start on wrist, which knit in ribs from one to two inches long, as you please.

Thumb and shells for back of hand—Seam 3, 1 plain, t over 1, 1 plain, t over 1, 1 plain, seam 3.

This sets the thumb. Now 1 plain, then (t over 1, 1 plain,) 7 times, seam 3, 1 plain, then (t over 1, 1 plain,) 7 times, seam 3, 1 plain, then (t over 1, 1 plain,) 7 times, seam 3.

This starts 3 shells for back of hand; knit plain the rest of the round till you reach the thumb; here 1 plain, seam 1, 1 plain, seam 1, 1 plain, seam 3.

Now you are at shells again. Narrow first and last stitches of each shell. knit rest plain (remember 3 seams between each shell) till you reach the thumb again; 1 plain, seam 1, 1 plain, seam 1, 1 plain, seam 3. This time the shells are knit plain. Knit thumb same again; narrow first and last stitches of shells this time round; knit plain till you get to thumb again; knit thumb same before. shells plain this time; now you have 7 stitches in each shell. You widen thumb each time you make holes in shells. Commence at thumb, seam 3, t over 1, 1 plain, t over 1, 3 plain, t over 1, 1 plain, seam 3.

Shells—1 plain, t over 1, 1 plain, seam 3; repeat for shells; then knit plain to thumb. Now seam 3, 1 plain, seam 1, 3 plain, seam 1, 1 plain, seam 3. Then narrow first and last stitches of each shell. Next round—thumb same, shells to be knit plain. Next round—thumb same, shells narrow. Next round—thumb same, shells plain. And so on till you have 7 stitches in each shell. Repeat these rounds till you have 25 stitches for the thumb between the two seamed lines of 3 stitches each; carry back of hand along with shells as you have been doing. Take thumb off on a thread. Cast on 14 extra stitches across thumb for a gusset, and carry your 3 seam stitches along on both sides of gusset until it is finished; then drop seam on inside of hand, but carry it each side of shells as far down the hand as you continue the pattern. The gusset is to be narrowed by knitting together the first 2 and last 2 of the 14 stitches every other round. Continue knitting all plain with the exception of the fancy stripes in back, until the hand is long enough, then decrease as follows: Beginning at corner of needle, 7 plain, narrow all round. 7 rounds plain. 6 plain, narrow, all round. 6 rounds plain. 5 plain, narrow, all round. 5 rounds plain. 4 plain, narrow, all round. 4 rounds plain. And so on until the end. When you take up the thumb take up also the 14 stitches and narrow them off as before to form other half of gusset. Knit about 54 plain rounds, then finish by narrowing once on each needle in every round till all the stitches are disposed of.

Part VII—Miscellaneous.

Lady's Knitted Boot.

It is knitted of black knitting silk and sewed onto a cork sole.

Begin on the under edge of the boot. Cast on 340 stitches on steel needles, join and knit 126 plain rounds. In doing this always knit 3 together as 1 on the middle of the front of the foot in every other round of the first 68 rounds. The stitch formed by knitting 3 together forms the middle stitch, and in narrowing this must always be knitted with the 2 stitches at each side of it. In the last 58 rounds narrow in this manner in every round. After the 126th round follows 68 rounds, alternately seam 2, 2 plain; then bind off. In the edge stitch crochet a border.

Knitted Knee Protectors.

This small-sized knee protector is worked with knitting silk crosswise in rounds going back and forth. The upper and lower part of the knee protector is knit all plain. The gore is knit in a ribbed design of always alternately 2 plain, seam 2.

Make a foundation of 98 stitches.

1st Round—Slip 1, 39 plain, seam 2, 2 plain, seam 2, 2 plain, seam 2, 2 plain, seam 2, 2 plain, seam 2, 40 plain.

2d—Slip 1, 41 plain, seam 2, 2 plain, seam 2, 2 plain, seam 2, 2 plain, seam 2, 42 plain.

Like these 2 rounds work 142 rounds more, but in the 17th, 21st, 25th, 29th, 33d, 37th, 41st, 45th, 49th, 53d and 57th rounds widen 1 stitch each after the first 42 and before the last 42 stitches; to do this knit 2 stitches on the corresponding stitch, working 1 plain, seam 1. Care should be taken that the ribbed design is not broken. The 52d to 91st rounds are worked without changing the number of stitches.

In the 92d, 96th, 100th, 104th, 108th, 112th, 116th, 120th, 124th, 126th and 128th rounds always narrow 1 stitch at the point where the 17th to 57th rounds were widened. Knit the 129th to 144th rounds without changing the number of stitches and then cast off, and crochet the ends of the knee protector together with one round of single crochet.

10th—t over 3, seam 2 together, 1 plain, seam 2 together, seam 5, 2 plain.

11th—Slip 1, 1 plain, slip 1, 1 plain, pull the slipped stitch over, 5 plain, t over 1, seam 2 together.

12th—t over 3, seam 2 together, 1 plain, seam 2 together, seam 3, 2 plain.

13th—Slip 1, 1 plain, slip 1, 1 plain, pull the slipped stitch over, 3 plain, t over 1, seam 2 together.

16th—t over 3, seam 1, 1 plain, seam 4.

Repeat this pattern until you have a strip long enough to go around the wrist next the hand (6 leaves will be enough for an ordinary sized hand) : then cast off both ends of the strip together. Take up on 3 needles the stitches of the lower or plain edge, and 1 plain, seam 1, until the wrister is of the desired length.

This pattern makes the top of the legging, and consists altogether of 16 rows.

Begin at the 17th row and knit 10 ribs for the leg, narrowing at each end of every other rib until there are 45 stitches on the needle. Then divide these stitches, 15 for the instep and 15 each side of the ankle, taking the last 30 off on bits of silk. Knit 2 ribs for the instep and cast off. Then take up the stitches at the side. Cast on 11 for the toe and narrow at the toe and heel after knitting 2 ribs on the side of the foot. Sew up the legging.

Of these draw the 4th, 5th and 6th through the 3d, 2d and 1st, so that the 4th stitch becomes the 1st and the 3d stitch the last, and knit all the 6 plain in this order. Knit the next 6 in the same way, and so on to the end. Knit the last stitch.

COMPOUND OXYGEN.

"SPLENDID RESULTS."

This is the decided affirmation of a gentleman in Troy, New York, after a month's trial of Compound Oxygen in his family, and the reader will agree with him after perusing the following account of the benefits received by the different members of his household. The great improvement in his wife's condition, after so brief a period of inhalation, is very remarkable indeed:

"My wife had much soreness in her lungs, and a constant depressed feeling, as if a weight were laid upon them. We had just buried a daughter who had been nearly a year sick with consumption, and constant care of her produced these injurious results. I felt much worried in consequence. *Four days' use of the Treatment, and the appetite began to mend. Two weeks' and she felt like a different person.* The soreness has almost entirely disappeared, and SHE CAN BREATHE DEEPER NOW THAN SHE HAS BEEN ABLE TO DO FOR YEARS, and goes out in all weather.

Besides my wife, other members of the family have USED IT AS A GENERAL TONIC WITH SPLENDID RESULTS, and the verdict rendered by the family at large is, that it is a grand success. We are freely recommending it to others in whom we feel an interest. One of my children, a boy of twelve, always had a weakness which gave him much trouble. Since using the inhaler, he is entirely free of that trouble, and again we say it is a success. The whole family (except myself) have used it daily now about one month, and the bottle is not half emptied. CHEAP AS WELL AS GOOD.

FROM A CLERGYMAN SEVENTY-ONE YEARS OF AGE.

A clergyman, in Cleveland, Ohio, seventy-one years of age, who had preached regularly nearly every Sunday for over fifteen years, says in a letter dated February 8th, 1882, a few weeks after commencing the use of Compound Oxygen:

"My strength was equal to the work until about a year ago, when I began to fail, and had come to the conclusion that my work, if not my life, was nearly at an end. BUT NOW I AM QUITE A NEW MAN; yea, the revitalizer HAS INTRODUCED NEW LIFE INTO MY ALMOST DEAD ORGANS. I can say that I am well, with the exception of a little soreness in my throat. Allow me to give thanks, first to God, and then to you, for this blessed hour of health."

"SOMETHING WONDERFUL."

A lady who had suffered for ten years with severe Neuralgia, Nervous Prostration, and frequent attacks of Malaria, writes, after using two Treatments of Compound Oxygen:

"MY IMPROVEMENT SINCE LAST MAY HAS BEEN SOMETHING WONDERFUL; and I feel it a duty and pleasure to acknowledge it to you privately. Though I do not wish my name used as a testimonial, I am always happy to recommend the use of Oxygen, as I have already done frequently to my friends."

"ACTED LIKE MAGIC."

In a case of Asthma, there is the following report from a gentleman, in Waupun, Wisconsin:

"It is now three weeks since I began using the Compound Oxygen Treatment, and the results are as follows: MY ASTHMA HAS DISAPPEARED ENTIRELY. Have not had an attack from the first day I began using it. IT ACTED LIKE MAGIC. * * I am thankful to you for the relief your Treatment has given me, and the most I can say at present is, that it is a wonderful reliever of those choking spells one has who is affected with Asthma."

From the above it would seem that even the most despondent invalids and those whose condition has been supposed to be beyond remedy, may take courage and be of good cheer. For the most ample details in regard to Compound Oxygen, reference should be made to the pamphlet issued by DRs. STARKEY & PALEN, 1109 and 1111 Girard St., Philadelphia. On application by mail, this pamphlet will be sent to any address.

EXTREME SUFFERING RELIEVED.

BETHLEHEM, N. H., December 16, 1883.
 DR. FOOTE—*Dear Sir:* The change that has been wrought in my physical condition in a few months is *simply wonderful*. There is scarcely an hour in the day in which I do not think gratefully of you, and thank God that I was led to put my case in your hands. You can use my name if you wish. I want poor suffering women to know that, after they have suffered many things, of many physicians, and are nothing bettered—but rather grow worse—they can, "even at the eleventh hour," be cured by writing to Dr. Foote.
 Gratefully yours, HATTIE E. HOLMAN.

BRIGHT'S DISEASE.

A gentleman who, when he first wrote to Dr. Foote, was dropsical, "sick-bed" and "given up," wrote recently:
 "My health continues first-rate; weigh from 160 to 170, and no signs of the return of the old kidney trouble, and it seems as though *after three years*, it never would again appear—thanks to your skilful treatment."
 I. L. FREEMAN, Mansfield, Ct."

A FRACTURED RIB, WHICH ALMOST RESULTED FATALY.

NEWFIELD, December 10, 1883.
 DR. FOOTE—*Dear Sir:* There is a vast difference between sister's condition now and when she commenced your treatment. She was hardly able to be up out of bed then, and had gatherings break from the fractured rib about every two weeks, which caused great weakness, and she suffered very severely all the time with swelling, cramps, chills and stiffness of the limbs. All we were having done did not accomplish anything, but she was getting worse all the time. *Her improvement has been more than we could look for.* I am thankful you consented to take her case on the reasonable terms you did, for, except for your kindness, she could not have had *the treatment which I fully believe has saved her life.* The gatherings about the fractured rib she has not had for some time; had they continued she could not have lived much longer in the condition she was in.
