

Orimono Soshiki Hen

Kiju Yoshida

Pattern Book

Orimono Soshki Hen [Textile System] is an old Japanese weaving textbook. Some of its patterns, many with a distinctive oriental style, are particularly interesting.

Kris Bruland has digitized the patterns in this book and put WIFs for them on <http://www.handweaving.net>, where they can be downloaded without charge.

The patterns here have been derived from the WIFs and provided for browsing and easy identification of patterns of interest.

There are two sections. The first 28 pages contain patterns for regular drafts. The last four pages contain patterns for color-and-weave effect drafts. Some color-and-weave drafts have three colors; in the patterns the third color is gray.

The patterns are organized by size, width first. Identifying numbers for the WIFs are given below the patterns. For example, 41747 refers to 41747.wif on <http://www.handweaving.net>.

Material in this document may be used freely for individual projects, but republication is prohibited.
