UROC-PREP and STAR are year-round undergraduate research and graduate preparation programs for underrepresented students interested in graduate education (Master's or PhD)

PROGRAM OVERVIEW

SPRING 2016: Students begin the program in the spring semester and enroll in a 3 unit reading and writing intensive course.

SUMMER 2016: Students

- are paid a **\$4,000** summer research stipend;
- Earn six units of upper-division course credit – **tuition paid!**
- work with a **UA faculty mentor** on a small scale research project in their field of study;
- complete a written research report, research poster, and oral presentation;
- Complete a **free GRE prep class** with on-site test registration
- have their abstract published in the UROC Abstract Review and more.

For the summer, a full-time commitment to all activities is expected of all students (no exceptions).

FALL 2016: Students enroll in a 1 unit graduate school prep class and submit applications to graduate school.
