The event is hosted by the [IEEE.org](http://www.ieee.org), the world's largest association for advancing technologies.

This event puts IEEE members in front of highly sought-after jobs and companies. The event is free for all IEEE members—the entire USA & Global Regions are invited to attend.

The IEEE Online Career Expo connects companies with qualified IEEE members & other specially invited groups. The program provides world-class resources, assessment tools for job matching & the IEEE Career Advantage.
