3 REQs open right now for Co-Op positions at Raytheon here in Tucson for students interested in software development and two others for full time hire. We are looking for students willing to work part time during the year and gain valuable technical experience.

The REQs we have open now are:

70204BR -- Intern, Fall 2015
69606BR -- Intern, Spring 2016
69878BR -- Intern, Summer 2016
69877BR -- E01 or E02, 2015 Hire
69033BR -- E01 or E02, 2016 Hire

Find out more about each REQ at http://raytheon.com/campus. You will create a profile and upload your resume for each REQ that you are interested in.
