

A UniSource Energy Company

## HUMAN RESOURCES DEPARTMENT

**Posting Date:** TBD  
**Closing Date:** Open Until Filled  
**Position:** Data Services, Database and Middleware Student Intern

Tucson Electric Power, one of Arizona's leading utility companies, seeks an individual for the position of Database and Middleware Student Intern in the Information Services department. We are looking for an energetic addition to our team to assist Database and Middleware Administrators with existing design, develop and support information systems to support business processes across multiple departments and business units. This person should have a strong interest in the area of Information Technology.

### **Position-Related Responsibilities:**

- Assists DBA team with cloning and patching databases, as well as on-going database maintenance
- Assists Middleware team with patching software and updating configuration on Unix servers
- Participates in a team environment and assists with assignments as requested by the group or team lead.
- Assists both teams with setup, deployment, and testing of new application test environments
- Assists with updating and maintaining process and application documentation

### **A Qualified candidate will:**

- Be pursuing a degree in Information Technology, Computer Science, Mathematics or related discipline
- Have aspirations to eventually work as a database administrator or system administrator
- Have experience with Unix or Linux servers and operating systems
- Have a high level of interpersonal skills and be able to work as the member of a team
- Demonstrate effective verbal and written communication skills
- Possess functional knowledge of Microsoft Office products
- Be self-directed in accomplishing tasks and goals
- Possess strong problem-solving and troubleshooting skills

### **Requirements:**

- Must be able to work a minimum of 20 hours per week during regular business hours; and up to 30 hours a week during the summer and school breaks
- Student Interns must maintain the required hours for full-time student status, good academic standing at their college or university, as defined by the college or university and the GPA required for graduation by their college or university.
- Failure to maintain full-time status, good academic standing and/or the requisite GPA will result in Student Interns being deemed ineligible for participation in this program.
- Student Interns are employed on a temporary basis and are generally not eligible for some benefits; including holiday pay.
- Scheduling of work hours and assignments should be made taking into consideration that Student Interns are students first and employees second.

Hourly Rate: \$12.00 - \$15.50 depending on experience and year in school. Please visit our website at [www.tep.com](http://www.tep.com) to apply for this position.
